Edey's Carbolic Troches.--Among the various remedies for Coughs, none enjoy a higher reputation than EDEY'S CARBOLIC TROCHES. This fact places them above the ordinary list of medical preparations. For Coughs, Colds, Asthma, and as a disinfectant and preventive against contagious diseases they are a specific. Invaluable to singers and public speakers. Sold everywhere.

Ozoena--An Offensive Disease in the Nose.
Which eats away the partition bone, destroys the sense of smell, produces green or yellowish scabs, the shape of the nostril--sometimes flat, often tainted with blood and matter; causes weight and dull aching over the eyes, headache, loss of memory, giddiness, etc. This disease is often caused by neglected colds, by suppressed skin diseases, Scrofula, Measles, Scarlet Fever, Psoriasis, Syphilis, and other contagious diseases, and is itself contagious. It often extends to the throat, producing Hoarseness, Bronchitis and Consumption. It is a Tertiary form of Cancer, destroying the nose and throat, when too long neglected. Dr Jones is the only Physician in the United States who thoroughly understands curing this dangerous and offensive disease. He destroys the offensive smell in five minutes, and relieves the sufferer in every way at once, and cures the disease in a short time.

Dr. Jones is now practicing at the Edwards' House, in this city, where he remains until Feb. 20.
